Primary Session

Luke 16:1-13

Opening Prayer

Let us pray.
Dear God,
thank you for all the gifts you have given us.
Help us to share our gifts with others.
In the name of Jesus we pray.
Amen.

Opening Life Reflection

A Kendall Hunt Company

The theme for today is social justice. To begin write the word “share” in large print on top of a chalkboard or a large sheet of paper. Invite the children to brainstorm what it is like to share what they have with others and what it is like when others share with them. Write down their responses. Discuss:

- Do you like to share?
- When do you share what you have with others?
- Who shares things with you?

Allow time for discussion. God created people with different gifts. God wants us to use our gifts to care for others. We show that we are children of God when we share our gifts with others.

Listening to the Word of God

In today's Gospel listen to Jesus tell his followers to serve God.

Read Luke 16:1-13.

Allow for silence.

Scripture Discussion Starters

- What does Jesus tell his followers about being faithful?
- What point does Jesus make about wealth?
- How does Jesus tell his followers to serve God?

Scripture Background

Provide 2-3 minutes of background information on the gospel.

Today's Gospel makes the point that the way people use their God-given gifts tells a lot about them. The people who share their gifts with others are on the path to eternal life. The people who are greedy with their gifts are on the path to destruction.

Today's Gospel stresses that we show our faithfulness to God by our actions. Being faithful means serving God alone. Sometimes people turn away from God and worship money or things. This Gospel passage makes it clear that we cannot serve both God and wealth. Each person must choose one master. The choice is ours.

Questions for Deeper Reflection

- What gifts has God given you?
- How do you use your gifts?
- How can you choose God over money or things?

Doctrinal Discussion Starters

Social Justice: Part I

The Church teaches that working for justice helps to give people what they need. The purpose of justice is to respect the rights of people and protect their dignity.

God created people with differences. Our differences, including our gifts, are meant to help the world around us. We all need each other. The commandment to love one another calls us to share our gifts with others. When we share what we have with those in need we live according to the Gospel of Jesus.

- How do you show respect for others?
- How do your gifts help the world around you?
- How can you share your gifts with people in need?
